

## Fulbright U.S. Student Program - Sample entries for "Other Experience Abroad"

List foreign travel or experiences abroad other than travel to the host country.

**Format for entries:** Select the number of experiences abroad that you need to include. Then, beginning with the most recent, list trips abroad or time living, working, studying, or traveling abroad in chronological order and complete all boxes for each entry. Exclude short vacations of two weeks or less, unless they were annual or repetitive visits, in which case you may combine them into one entry.

Use the "Additional Comments Regarding Experience Abroad" text box, if further explanation is necessary.

**Other Experience Abroad**

Have you ever been outside of the U.S. other than the host country?\*

Yes  
 No

Have you resided abroad for 5 or more consecutive years in the 6-year period preceding the date of application?\*(One year is considered a 9 month academic year. See "ineligibility" section [here](#)).

Yes  
 No

List all foreign experience to countries other than the host country to which you are applying. List most recent experience first. If you have extensive travel experience or experience living abroad, you must describe it in the Comment Box below.

How many experiences abroad do you need to include?
